

# Camp and Gravel Road Maintenance Workshop

Save Money, Maximize Resources & Protect Water Quality

Attention Camp Road residents, Lake Association members,  
Driveway owners, and Contractors  
*This workshop is for you!*

This workshop will discuss road design and installation, and how maintenance of your gravel road, camp road, and driveway will save you money and protect water quality.

The workshop will also cover legal issues related to forming and operating a road association, including new changes in Maine law.

Road Commissioners, Public Works Supervisors, CEOs and others involved in road maintenance are also welcome.

***Provides Continuing Education Units (CEUs) for Recertification in Erosion Control Practices.***

## Speakers:

**Charlie Baeder**, Director, Programs, 7 Lakes Alliance: *Roads and Water Quality.*

**Peter Coughlan**, Director, Maine Local Roads Center, Maine DOT: *Road basics 101; grader operators; ensuring safety and reducing impacts on water quality; culvert sizing; winter plowing; technical resources.*

**Mary Denison**, Attorney, Lake & Denison LLP: *Forming and operating a road association; road law Q&A.*

**Sarah Haggerty**, Maine Audubon, Conservation and GIS Manager: *Stream Smart Culverts.*

**John MacLaine**, Maine DEP: *Permitting, Erosion, and Sedimentation Control.*

**Josh Platt**, President, Maine Environmental Solutions LLC; Kennebec County Soil and Water Conservation District: *Surveying gravel roads; design and maintenance for road associations.*
